EXECUPUTT

Execuputt is a portable 5' x 11.5' putting mat that accurately replicates a real grass putting green. This product is ideal for home, office, trade shows, tailgating or for the golf enthusiast who is ready to take their game to the next level. Execuputt is designed for both indoor and outdoor use. Comes with carrying bag.

SGW FLAG SET

Our putting green flag set comes complete with a 6" x 8" black and white checkered flag, a 32" tall matching black and white striped metal pole with base and a 4" aluminum cup. Cups are also sold individually.

DURAFILL

Durafill is the latest infill product technology for synthetic grass. It is pet and environment-friendly, withstands animal urine as well as the elements and prevents the growth of spores and bacteria that can grow in turf. Durafill prevents decomposition over time and only needs a one-time application. Products with Durafill do not overheat in the sun which prevents your turf from overheating in the sunlight.
